

RTD 2024 CALL FOR PAPER

Fostering Sustainability

Big Data, Artificial Intelligence, Machine Learning, Deep Learning, and Cloud Computing in Sustainable Practices

- AI Art and Sustainable Practices
- Renewable Energy and Smart Building Energy Management
- Healthcare and Well-being
- Energy Efficiency and Climate Change Mitigation
- Smart Cities and Urban Planning

Robotics and Autonomous Systems Enhancing Sustainability

- Solving Technological Design Problems with Optimization and Simulation Models
- Innovative Robot Design, Development, and Control
- Robot Learning and Adaptation for Sustainability
- Advanced Vision, Recognition, and Reconstruction Technologies
- Developing Autonomous Systems for Sustainable Applications

IoT Communication and Interaction Technology Can Power a Greener Future

- Advanced Technologies in Smart Cities
- Immersive Technologies for digital communication, art tech and smart Cities
- Transmedia for Sustainability Awareness
- Digital Design for Sustainability
- Energy Control through IoT
- Remote and Supervisory Control Systems

Green Innovation and FinTech for a More Sustainable Planet

- Open Innovation and Sustainability
- Innovation and Creativity in Green Ventures
- Entrepreneurship Ecosystem for Sustainability
- Green Finance and FinTech

Sustainable Smart City

- Cybersecurity in Sustainable Smart Cities
- Innovations in Architectural and Landscape Design
- Smart City Design, Planning, and Management
- Smart Tourism and Sustainable Urban Development
- Advanced Mobility and Transportation Solutions
- Smart Energy Systems
- Intelligent Manufacturing Systems for Sustainability
- Community Engagement in Urban Sustainability
- Virtual Human and Sustainable Interactions

Cross-Disciplinary Approaches to Achieving the SDGs

Focusing on technology and design's solutions in achieving the Sustainable Development Goals (SDGs), emphasizing collaborative and multi/inter/transdisciplinary approaches.

Full Paper Submission **APRIL 30, 2024**

Result of Paper Submission **MAY 15, 2024**

Deadline for Final Version Submission **MAY 21, 2024**

Acceptance Notification & Invitation Letter **JUNE 01, 2024**

Last Date for Registration & Payment **JUNE 10, 2024**

Conference Date **JULY 15-16, 2024**
JULY 17 - OPTIONAL FOR FIELD TRIP

**SUBMIT
PAPER
HERE**

“A Commitment to a Future Where Technology, Design, and Sustainability Intersect to Create a World We All Want to Live in”

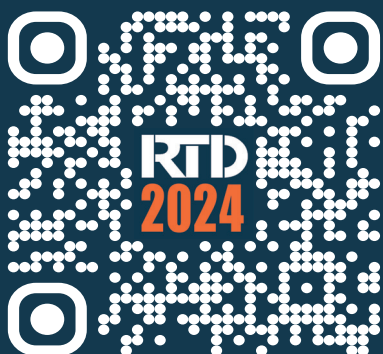

THE 2nd INTERNATIONAL CONFERENCE
“RESILIENCE BY TECHNOLOGY AND DESIGN”

July 15-17, 2024

Submission

Honour Chair

Prof. Nguyen Dong Phong
UEH Council Chairman

Prof. Su Dinh Thanh
UEH President

Sunyoung Catherine Cho
Kangwoon Foundation Chairlady

Prof. Phoon Kok Kwang
*Provost and President (Designate),
Singapore University of Technology and Design*

Conference Chair

Assoc.Prof. Bui Quang Hung
University of Economics Hochiminh City

Prof. Álvaro Barbosa
University of Sain Joseph

Prof. Barbara Piga
Politecnico di Milano

Prof. Robyn Dowling
The University of Sydney

Prof. Elena Marchigiani
The University of Trieste

Prof. Wei-Chil Lin
National Sun Yat-Sen University

Prof. Hsiu Ching Laura Hsieh
*National Yunlin University of
Science and Technology*

Prof. Harvey Neo
*Singapore University of
Technology and Design*

Prof. Jaehyun Han
Kwangwoon University

Prof. Ducksu Seo
Handong Global University

Prof. Youngsang Kwon
Seoul National University

Keynote Speaker

Prof. Álvaro Barbosa
University of Sain Joseph

Prof. Wim Vanhaverbeke
University of Antwerp, Belgium

Prof. Wei-Chil Lin
National Sun Yat-Sen University
